

FastVC Platform Guide

2026-08-19 | <https://vc.fastsmc.com>

FastVC is an AI workspace for venture investment teams. It adapts the proven PEHero workflow to a narrower startup-investing domain: thesis-led discovery, founder and fundraising signals, screening, round construction, diligence, investment committee, LP relations and portfolio support.

Your Venture Capital AI Agent Squad — sourcing, round modeling, and cl

WHAT FASTVC DOES

Everything between a thesis and a signed term sheet.

FastVC is a working venture system, not a prompt pack. Discovery, signals, screening, round and ownership modelling, cited diligence, IC and LP work — on one data model, driven by conversation.

Discovery & signals

Thesis-led discovery

Describe the thesis in plain language — stage, sector, geography, founder background, momentum — and get

Startup & founder signals

Hiring velocity, funding events, product launches and founder moves, tracked continuously and

Market maps

Generate a category map on demand and keep it live as the sector moves.

Saved searches & alerts

Persist a thesis once; new matches arrive by alert and in the daily digest.

WHAT FASTVC DOES Everything between a thesis and a signed term sheet. FastVC is a working venture system, not a prompt pack. Discovery, signals, screening, round and ownership modelling, cited diligence, IC and LP work — on one data model, driven by conversati

PLATFORM

One system. Every stage. All your deal data.

FastVC lives where your deal team already works. Twenty-five specialist agents share a single model of your pipeline, your portfolio, and your market. Each agent has its own tools and prompts — and they pass artifacts between each other without the associate re-keying anything.

7 AGENTS

Discovery & Sourcing

Find exceptional startups and founders before the round

5 AGENTS

Round & Ownership

Turn startup metrics and round terms into an ownership and

5 AGENTS

Venture Diligence

Test team, product, market, technology, legal and commercial evidence.

4 AGENTS

IC & LP Relations

Move from conviction to IC, co-investor communication and LP fundraising.

4 AGENTS

Portfolio Support

Help portfolio companies improve growth, efficiency, hiring and retention.

PLATFORM One system. Every stage. All your deal data. FastVC lives where your deal team already works. Twenty-five specialist agents share a single model of your pipeline, your portfolio, and your market. Each agent has its own tools and prompts — and they pas
